THE AMERICAN PEACE SOCIETY, INC.

734 Jackson Place, Washington, D. C.

ITS PURPOSE IS

In accord with the teachings of its Founder, to promote the principles of international peace through justice; to advance in every proper way the general use of conciliation, arbitration, judicial methods, and other peaceful means of avoiding and adjusting differences among nations, to the end that right shall rule might in a law-governed world.

Thus the tranquillity of order among nations, which is peace, depends finally and always upon established methods of law and judicial settlement mutually acknowledged, ratified and obeyed.
